## Notice Concerning Revisions to Full-Year Non-Consolidated Financial Results Forecasts for the Fiscal Year Ended March 31, 2022

FURUKAWA CO., LTD. (the “Company”) hereby announces that in light of the most recent operating trends, it has revised the full-year non-consolidated financial results forecasts for the fiscal year ended March 31, 2022 disclosed on May 13, 2021, as described below.

1. Revisions to full-year non-consolidated financial results forecasts for the fiscal year ended March 31, 2022 (April 1, 2021 through March 31, 2022)

	Net sales	Operating profit	Ordinary profit	Profit	Basic earnings per share (Yen)
Previously announced forecasts (A) (Announced on May 13, 2021)	7,300	2,500	2,700	1,900	48.62
Revised forecasts (B)	7,600	3,000	3,600	2,900	74.70
Change (B-A)	300	500	900	1,000	
Change (%)	4.1	20.0	33.3	52.6	
(Reference) Actual results for the previous fiscal year (Fiscal year ended March 31, 2021)	8,456	4,243	4,763	7,361	187.99

2. Reason for revision to non-consolidated financial results forecasts

Comparing the revised forecasts for the full-year nonconsolidated financial results with the previously announced forecasts (announced on May 13, 2021), the main points are that expected net sales has increased due to an increase in dividend income from subsidiaries, and expected operating profit has increased. In addition, expected ordinary profit has increased due to the recording of foreign exchange gains, etc. and expected profit has increased due to the recording of a gain on sale of investment securities, etc. As a result, net sales, operating profit, ordinary profit and profit have each been upwardly revised.

A review of the full-year consolidated financial results is still in progress. If a matter requiring disclosure arises, the Company will make a prompt announcement.

Note: Forward-looking statements provided in this document, including financial forecasts, are based on the information currently available to the Company and certain assumptions considered reasonable. Such statements are included without any guarantee as to their future achievement. Actual results, etc. may differ materially from the forecasts depending on various factors.
